Annual Sponsorship Program and Agreement

Annual United Way of Washington County, MD Sponsorship Program

YOUR United Way works on behalf of the common good to make steady advances in Washington County by identifying and addressing common problems. This is accomplished by working with people and organizations from across the community who bring the passion, expertise and resources needed to get things done.

YOU are invited to join us to advance the common good.

We invite YOU to become a sponsor of an event or meeting that meets YOUR mission for supporting YOUR community. The beneficiary of each of these sponsorships is Washington County, MD. Through the Community Impact fund, you will advance the common good in ways that ripple out to the community as a whole.

As a United Way sponsor, you enhance your philanthropic image and visibility in the community; reinforce your reputation as a good corporate citizen with Washington County, MD residents and businesses; and develop closer relationships with current and prospective clients.

United Way of Washington County's sponsorship program is designed to help companies achieve their philanthropic goals while engaging them in our work.

Enhance your visibility by partnering with one of the world's most valuable brands.

- The United Way brand was ranked in 2010 at number 26 in the Top 50 of the most valuable brands according to Forbes magazine with a brand value of \$14.3 billion. United Way was the only nonprofit to make the list.
- United Way was named a 2012 Forbes All-Star Charity.
- United Way is ranked #1 in "The Philanthropy 400" in *The Chronicle of Philanthropy* as the most successful charity.
- LIVE UNITED now has 43% public recognition since launching in the spring of 2008.
- United Way has 91% recognition from the general population.
- Nearly \$125 million worth of donated media has been made possible through our unique partnership with the Ad Council, who embraced the LIVE UNITED message.

Summary of Events

CEO Breakfast: Held annually, usually in August; who participates? Local company CEOs and employee campaign coordinators gather to hear from the campaign chair(s) about funding and efforts in place for the coming year, including tools to support company efforts.

Campaign Kickoff: Held annually, usually in September; who participates? Everyone who is involved in campaign efforts including local company CEOs, employee campaign coordinators, volunteers and donors gather to officially start the campaign that begins with a message from the chair(s) and includes presentations of pledges and completed campaigns from companies who have set their goal or completed their campaign by the Kickoff date.

Campaign Finale: Held annually in May; who participates? Everyone who is involved in campaign efforts gather to hear the final amount raised and celebrate the closing of the campaign with announcements of company and individual awards and recognition.

Annual Meeting: Held annually in June; who participates? Donors, volunteers, community leaders interested in UW; messaging includes year in review and several individual awards. This is the final Board of Directors meeting for the fiscal year and includes year in review and bringing in new volunteer leadership. Members, individuals who donated in the current year are allowed to vote during the official business.

Non-Event Sponsorships

Campaign Champion: Annually new marketing materials are created for campaign to include pledge forms, video, brochures, flyers, and pens. Sponsoring the campaign as the Campaign Champion allows for donor dollars to be used to support critical programs provided to Washington County residents. Please see Melissa Reabold if you are interested in this level of sponsorship.

Employee Campaign Coordinators Champion: The employee campaign coordinators are the “boots on the ground” for campaign. They are usually assigned by a supervisor to take on this role because of their success in meeting their regular work requirements and they are well-liked and respected by their peers. This group needs champions willing to provide sponsorship dollars to cover the expense of training and general campaign meetings that help the coordinator fulfill their campaign role well while staying productive in their regular work. Because of the nature of these non-event sponsorships, they will be customized for the sponsor. Please see Melissa Reabold if you are interested in this level of sponsorship.

- Sponsorship monies are not counted toward a workplace campaign. These sponsor opportunities are time sensitive due to the nature of scheduling printing, etc.
- Cycle United and Day of Caring sponsorships are separate from the Annual Sponsorship Program.
- Please ask your United Way team for information on sponsoring Cycle United or Day of Caring.
