HOW THIS WORKS:

Qualifying begins at 3pm. All contestants who purchase swings will take their shot from the first hole at Fountain Head. The qualifying hole will be approximately 100 yards with a 20’ circle around the hole. The top 16 (closest to the pin) finalists will then proceed to the final “MILLION DOLLAR SHOT” round to shoot at a hole of 165 yards for ONE MILLION BUCKS! Final Million Dollar shot round begins at 6:00pm. All finalists will come back to the tee box to attempt one shot (regardless of how many of their qualifying shots land closest to the pin) for a HOLE IN ONE. Prizes will be given to the 3 closest contestants to the hole in both qualifying and final rounds (6 prizes total).

\$1 Million top prize is paid as a 40-year annuity only. Insurance for the Hole In One Shot will require Club Pro and witnesses to be present. In the event that the shot is holed-out, video recording is required. The Club Pro may provide a bag of clubs for contestants to use during the event as promotion or for sale.
