

# Community Impact & Investment Goals & Strategies FY 2019-2021

<b>EDUCATION</b>	
<b>Helping children and youth achieve their potential through educational readiness.</b>	
<p><b><u>Problem Statement:</u></b> “Washington County students are not fully prepared for both kindergarten and beyond. This further contributes to inconsistent academic achievement toward college /career readiness.”</p>	
<p><b><u>Goal Statement (1):</u></b> By June 30, 2021, increase the number of Washington County students in evidence –based collaborative programs entering school ready to learn from the current KRA rate of 33% to at least 35% readiness as reported by the current rate testing scores.</p>	
<p><b><u>Goal Statement (2):</u></b> By June 30, 2021, school-age students enrolled in evidence-based programs will consistently advance academically by at least 7% as measured /demonstrated through Washington County PARCC scores. Accordingly, third-grade English scores will increase to 10.4% and algebra I scores will increase to 11.1%</p>	
<p><b><u>Goal Statement (3):</u></b> By June 30, 2021, at least one (1) collaboration focusing on youth-related workforce development will be established in Washington County.</p>	
<b>Strategies:</b>	<b>Performance Measures:</b>
<ol style="list-style-type: none"> <li>1. Accredited, affordable pre-k programs that offer flexible schedules to accommodate parents’ work/life schedules.</li> <li>2. Expand reach of programs that encourage parents to be their child’s first teacher.</li> <li>3. Support evidenced-based early learning initiatives and programming</li> <li>4. Accredited, affordable out of school programs that offer flexible schedules to accommodate parents’ work/life schedules.</li> <li>5. “Out of School Time” programs that offer evidence-based Math, Science and Literacy Mentoring Programs.</li> <li>6. Evidence-based programming aimed at ensuring academic success and</li> </ol>	<ul style="list-style-type: none"> <li>• # of Children (infants, toddlers, preschoolers) enrolled.</li> <li>• # and % of children meeting or exceeding developmental milestones</li> <li>• # and % of children passing social-emotional questionnaire</li> <li>• # of parents / caregivers engaged in programming</li> <li>• # and % of early childhood teachers participating in professional development</li> <li>• # of School-age Children enrolled.</li> <li>• # and % of children meeting or exceeding testing requirements following periods of out of school time</li> <li>• # and % of out of school time staff participating in professional development</li> </ul>
