5th Annual

# Million Dollar GOLF \$HOT

Benefiting:

June 2nd, 2022

Rain date: June 9th, 2022

Fountain Head Country Club

4:00 PM: Qualifying Begins

6:30 PM: Finals Round Begins

## How This Works:

- Qualifying begins at 4 PM.
- All contestants who received swings with their sponsorship or those who purchased swings will take their shot(s) from the first hole at Fountain Head Country Club.
- The qualifying hole will be approximately 130-140 yards.
- The top 15 finalists closest to the pin will advance to the final MILLION DOLLAR SHOT round to shoot at a hole of 165 yards for ONE MILLION DOLLARS!
- A 16th finalist position will be raffled off and guarantees the winner a swing in the final round.
- **The final MILLION DOLLAR SHOT round begins at 6:30 PM.**
- All finalists will come back to the tee box to attempt one final shot regardless of how many of their qualifying shots land closest to the pin for a hole in one.
- Prizes will be given to the 3 closest contestants to the hole in both the qualifying and final rounds (6 prizes).
- The \$1,000,000 top prize is paid as a 40-year annuity only.
- Insurance for the hole in one shot will require Club Pro and witnesses to be present and recording every finals round swing.
