HOW THE MILLION DOLLAR SHOT CONTEST WORKS:

- Qualifying swings begin at 4 PM.
- All contestants who received swings with their sponsorship or purchased qualifying swings will swing at the ninth hole at Fountain Head Country Club.
- The qualifying hole will be approximately 130-140 yards.
- The top 15 finalists closest to the pin will advance to the final round to attempt one final shot at a hole-in-one of 165 yards for ONE MILLION DOLLARS!
- A 16th finalist position will be awarded in a raffle, guaranteeing the winner a swing in the final round.
- **The final MILLION DOLLAR SHOT round begins at 6:30 PM.**
- All finalists will return to the teeing area to attempt one final shot at a hole-in-one regardless of how many of their qualifying shots land closest to the pin.
- Prizes will be awarded to the three closest to the hole contestants in the qualifying and final rounds (six prizes).
- The \$1,000,000 top prize will be paid as a 40-year annuity only.
- Insurance for the hole-in-one shot requires a Club Pro and witnesses to be present and to record every finals swing.
