

## Supporting a Healthier and More Productive Community

United Way, in partnership with SingleCare (formerly FamilyWize), offers a prescription discount program as a powerful resource for your community.

### The SingleCare Prescription Savings Card:

- Always free to use by everyone—just show it to the pharmacist
- Save up to 80% on 10,000+ prescription medications
- Accepted at major pharmacy chains nationwide
- No registration or eligibility requirements. Use it right away!
- Sign up on SingleCare.com for additional member savings
- Works whether you're insured or underinsured
- Unlimited uses

### Agencies Should Know:

- This program does not require any administration paperwork or maintenance records
- Community members with additional questions should visit SingleCare.com
- The card provides immediate prescription assistance for your clients and their families
- Many agencies include a card in their client packets with resources

### Get Started Today!

- Introduce SingleCare to your staff.
- Hand out SingleCare Prescription Information through your programs
- Place SingleCare information in key common areas
- Make extra cards available in common areas for your clients and your employees to share with their friends and family.

If you have questions about the program or would like additional materials or support, call us: 844-234-3057 or email [partners@singlecare.com](mailto:partners@singlecare.com)

Download the FREE SingleCare app today!

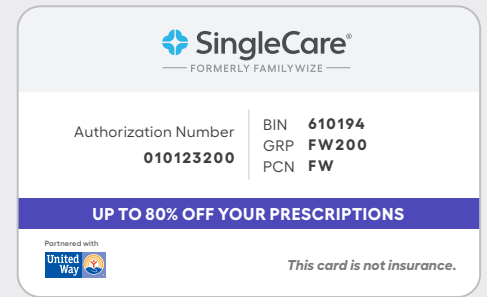

Scan the QR code or text 700-700 to download the card!

## INTRODUCTION

SingleCare helps individuals save on prescription medications!

### Medications Cost Too Much!

Cost is a significant reason why people do not take their medications.

2 out of every 5

2 of every 5 households do not have enough liquid assets to cover a mid-range deductible.<sup>1</sup>

### Frequently Asked Questions

**Q: Why did FamilyWize change its name to SingleCare?**

A: FamilyWize was acquired by SingleCare's parent company in 2019. The brands have since been combined to decrease confusion.

**Q: What advantages does SingleCare have over FamilyWize?**

	FamilyWize	SingleCare
Competitive Discounts		✓

Good for pets	✓	✓
Sturdy Cards		✓
Brand Recognition		✓

**Q: Does SingleCare work with insurance?**

A: No, it cannot be used in combination with insurance. HOWEVER, SingleCare often beats the insurance copay. It's always worth checking the SingleCare price.

**Q: How much will I save?**

A: Look up exact prices by searching for your prescriptions on SingleCare.com or on the free mobile app.
